

- Notes
- 1) Post and wire fence to be reinstated at Locations A, B and C.
 - 2) Any damaged Beech saplings to be reinstated at access point to Location D.
 - 3) Any damage caused by contractor gaining access to be made good.
 - 4) Water will be turned off at Thruscross Reservoir whilst the work is undertaken.
 - 5) Chainages are for guidance, exact position to be agreed with Site Supervisor.
 - 6) Chainage D is marked on the concrete wingwall of the roadbridge, adjacent to the wooden stile.
 - 7) Tree lopping to be undertaken by Contractor as required for him to gain access with plant - no damage to occur to trees.
 - 8) The Site is defined as the work locations and the access routes shown on this drawing.
